International and national research grants:

As grant director:

1. Title: Multidisciplinary Educational Course for Romanian Paediatric Residents and Family Physicians on Chronic Pain Management in Children and Adolescents with Juvenile Idiopathic Arthritis. Institution: International Association for the Study of Pain, Seattle, USA. Duration: 2007 – 2008.

2010 – 2012 Gr.T.Popa Biomedical Research Centre Groups: Department of Pain Research
1 Group leader / Principal Investigator, Study Centre for paediatric pain

As grant member:

2. Title: [Program for complementary preparation for the physical therapist for medical recovery to be integrated in the actual national health insurance system]. Institution: Romanian Ministry of Education and Research, National Council for University Scientific Research. Duration: 2006 – 2008.
3. Title: [Platform for physio-pharmacological and clinical research in mechanisms of nononcological and oncological pain]. Institution: Romanian Ministry of Education and Research, National Council for University Scientific Research. Duration: 2006 – 2008.
4. Title: [Pharmacovigilance in juvenile idiopathic arthritis patients (Pharmacchild) treated with biologic agents and/or Methotrexate. A Paediatric Rheumatology International Trials Organization (PRINTO)/Paediatric Rheumatology European Society (PRES) Registry]. (Project number 260353). EU grant (2011 – 2016).
5. Title: EPOCA (Epidemiology, treatment and Outcome of Childhood Arthritis), Paediatric Rheumatology International Trials Organization (PRINTO certified ISO 9001-2008, www.printo.it), aimed to devise a new tool that enables the multidimensional assessment of the disease status in children with JIA. This new instrument, named Juvenile Arthritis Multidimensional Assessment Report (JAMAR), is simple easy to apply and multidimensional in nature. Globally, for EPOCA, PRINTO has collected by now more than 9000 JIA patients and almost 5000 healthy controls from 125 centres in 51 countries (ongoing)
6. Title: Multidisciplinary Educational Course for Physical Therapists to Help Patients and Families in Chronic Pain Management at Home - Educational course, Granting Agency: IASP - International Association for the Study of Pain, Washington, USA, July 1, 2017 – July 1, 2018.
7. The PRINTO grant c4c initiative: Study comparing the efficacy and safety of Methotrexate plus Leflunomide (Dual) and Methotrexate plus Sulphasalazine plus Hydroxychloroquin Triple) combination in polyarticular course Juvenile idiopathic arthritis failing standard dose of Methotrexate (Dual OR Triple-The DOT study. (Director: Raju Khubchandani Mumbai, India), 2018'
8. The PRINTO grant c4c initiative: B-Vit in Juvenile Idiopathic Arthritis: a double blind, randomized controlled trial testing nicotinamide vs placebo in a stop regimen for MTX and/or TNF- α blockade in non-systemic Juvenile Idiopathic Arthritis (Director: Sebastiaan Vastert Utrecht, Netherlands), 2018.
9. The PRINTO grant: An Observational Registry of Abatacept in Patients with Juvenile Idiopathic Arthritis, PRINTO pharmacovigilance registry of JIA patients, 2019.
